Data Analyst

As a fourth-year MBCHB student at the University of Nairobi and a passionate freelancer, I am dedicated to mastering the art of medicine while exploring the intersections of healthcare and technology. With a keen interest in writing and technology, I strive to bridge the gap between medicine and innovation. Outside of my studies, I enjoy challenging my mind with chess, staying fit through workouts and running, and exploring new opportunities in the freelance world.

WORK EXPERIENCE

Fiverr • Remote • 10/2019 – Present

Data Analyst

Freelancer

- I have been transcribing audios and doing copywriting for clients all over the world for the past
- I have worked with big companies and managed to deliver work that impressed them because it was above expectations.

Equity Bank • 01/2020 – 04/2020

Cashier

- As a cashier at Equity Bank in Iten, Kenya, I was responsible for providing excellent customer service while efficiently handling cash transactions. I ensured accuracy in processing deposits, withdrawals, and other banking transactions, while adhering to the bank's policies and procedures. Additionally.
- I maintained a high level of professionalism and confidentiality in handling customer information and inquiries, contributing to the overall success of the branch.
- Worked closely with shift manager to solve problems and handle customer concerns.
- Learned duties for various positions and provided backup at key times.
- Exceeded productivity goals through consistent attention to detail and organization during busy shifts.
- Addressed customer needs and made product recommendations to increase sales.
- Resolved customer complaints professionally, leading to improved customer relations and loyalty.
- Enhanced customer satisfaction by providing efficient and accurate cash transactions.
